

COMPLAINTS POLICY, PROCEDURE AND RELATED FORMS

Enhanced Children's Services is committed to providing quality services and achieving the highest standards of conduct. One of the ways we can continue to improve our services is by listening and responding to the views of others.

Aims of our Complaints Policy

We seek to ensure that:

- Making a complaint is as easy as possible,
- We treat any complaint about our services as a clear expression of dissatisfaction which calls for a prompt response,
- We treat it seriously whether it is made in person, by telephone, by letter, by fax or by email,
- We deal with it promptly - first response within 24 hours, and where appropriately, informally (for example by telephone),
- We aim to initially consider and resolve all complaints on an informal basis where possible,
- We respond in the right way - for example, with an explanation, or an apology where we have got things wrong, or information on any action taken,
- We learn from complaints, use them to improve our services and publish information on complaints,
- Records are kept of all complaints and the procedures followed, formal meetings are minuted and a complaints log is kept in each centre
- All complaints are resolved within 28 working days

Guidelines for making a complaint

- 1 You can make a complaint in writing, by fax, by email, by telephone or in person (by appointment please).
- 2 If you are writing, faxing or emailing your complaint, please provide your telephone number if a response by telephone would be convenient. If you are emailing, please state if a reply by email is required and, if not, please provide a full postal address.
- 3 If you know the name or title of the appropriate member of Senior Staff - Head of Centre or relevant Director, please make your complaint direct to them. If you do not know the name or title, please contact Head Office Boreham Mill on 01985 218486.

What happens next?

- 1 We will respond within 24 hours (working hours) from when we receive your complaint.
- 2 If it is not possible to give you a full reply within this time, for example, if your complaint requires more detailed investigation, we will give you an interim response telling you what is being done to deal with your complaint, when you can expect the full reply (usually within 5 working days) and from whom.
- 3 The full reply will include details of who to contact next if you believe that your complaint has not been dealt with properly. This will normally be a member of the Senior Management Team.
- 4 If you are still not satisfied following the second response from the Senior Management Team, you can ask for your complaint to be formally referred to the Head of Children's Services or a Director, who will review your complaint and how it has been handled. Formal complaints must be made in writing and sent directly to Head Office (Boreham Mill) for the attention of the Head of Children's Services or Director.
- 5 A written response will be sent to you within 5 working days by the Head of Children's Services or Director detailing the planned further action to be taken by the company to deal with your complaint.
- 6 This may result in the setting up of a panel hearing, (see procedures) where all participants will be given copies of all findings and recommendations.
- 7 It is our aim to conclude all complaints satisfactorily within 28 working days.

A written record will be kept at Head Office of all communication, meetings and actions taken for longer than one year, or as long as is required by law, following the date of the complaint. Copies of panel findings and recommendations will be given to complainant, Head of Centre, Director and where relevant, the person complained about. All documents are to be kept confidential, except where they are required by law to be seen.
