the relationship between religion and dance is as old as humankind contemporary methods for studying this relationship date back a century the difference between these two time frames is significant scholars are still developing theories and methods capable of illuminating this vast history that take account of their limited place within it a history of theory and method in the study of religion and dance takes on a primary challenge of doing so overcoming a

conceptual dichotomy between religion and dance forged in the colonial era that justified western christian hostility towards dance traditions across six continents over six centuries beginning with its enlightenment roots lamothe narrates a selective history of this dichotomy revealing its ongoing work in separating dance studies from religious studies turning to the bushmen of the african kalahari lamothe introduces an ecokinetic approach that provides scholars with conceptual resources for mapping the generative interdependence of phenomena that appear as dance and or religion

bachelor thesis from the year 2016 in the subject art arts management grade 3 58 hawassa university course management language english abstract in order to be highly productive and being successful in any operation is somewhat a difficult task unless conflict is managed carefully in the organization therefore the main reason of conducting this research is to find out the sources of conflict to identify conflict resolution techniques and to know the positive and negative outcomes of conflict in the organization among the factors that accounted for the existence of conflict in the organization perpetual difference value difference modern technology and personality clashes were the most important the effort of management to understand the existing conflict in the organization is low which implies the weakness of management of the organization in handling conflict in general undertaking conflict and assessing conflict management practice is important task for the reduction of problems which exist in the organization
